

**WALL MOUNT**

**POWER UP YOUR CLEAN**

## **SMT-2000W** Wall Mount System

The **SMT 2000W** is an excellent choice for cleaning your outdoor areas, including loading docks, trash enclosures, patios, and any areas where higher pressure and volume are needed. The SMT 2000W provides 2000 psi max pressure at 3.6 gallons per minute. It comes complete with 36" spray wand, wall mounted hose reel and a 50 foot steel braided hi-pressure hose. Pair the SMT 2000W with our Hummer Jet Sr. lot cleaning attachment for the ultimate clean in your outdoor areas.
